# Missouri Arts Council Annual Report

**GOVERNOR OF MISSOURI**

**JEFFERSON CITY  
65102**

**JEREMIAH W. (JAY) NIXON  
GOVERNOR**

**P.O. Box 720  
(573) 751-3222**

Dear Fellow Missourians:

It is my pleasure to present the Missouri Arts Council 2009 Annual Report.

The dedicated professionals of the Missouri Arts Council, a division of the Missouri Department of Economic Development, work tirelessly to provide grants to nonprofit organizations that encourage the growth, development and appreciation of the arts within both large and small communities in Missouri. The arts attract tourists, provide thousands of jobs, play a role in business attraction and retention, strengthen communities and bridge cultural divides. Arts education can advance workforce development, helping students become proficient readers, writers, problem solvers and creative thinkers.

As Governor, I believe it is our responsibility to do what we can to support the arts. We are facing uncertain economic times and there are hard decisions being made everywhere. But it is my hope that we will emerge from these challenges a stronger, more culturally distinguished state. Working to strengthen the arts in Missouri is another way to help move our economy forward.

The arts are an essential part of Missouri's identity and have provided an important path to economic development. The First Lady and I feel fortunate to have quality artists and arts organizations in our state. I hope that you find this annual report on our efforts to support the arts informative. Contact the Missouri Arts Council if you, or someone you know, could benefit from their assistance.

Sincerely,

A handwritten signature in black ink, appearing to read "Jeremiah W. (Jay) Nixon".

Jeremiah W. (Jay) Nixon  
Governor

Dear Friends,

This last fiscal year has had its share of ups and downs and thankfully we have successfully navigated our way through. Although we have taken some cuts we were still able to fund all FY09 grantees, and we are working hard to maintain funding for continuing fiscal years. Governor Nixon supports the work we do and is working with the members of the legislature to make sure we continue our mission.

This year our big achievement besides fully funding our grantees is that we now have a new web site. This web site has been a long time coming but is finally up and running. This web site is a tool that MAC will be able to use to communicate even more with arts organizations throughout the state. Also, there are features that allow organizations to communicate with each other through our Bulletin Board feature.

This web site is one of our cornerstones to achieving our strategic goal of increasing participation in the arts. Along with this improvement we have also gotten our online system up and running. It was quite successful, registering 560 user profiles and we received 440 completed applications in the first grant round. There are still some improvements to be made but we are already working to make next fiscal grant season even smoother.

This year MAC reached out even further to the arts community with its first ever Arts Summit. The Arts Summit was held in June of 2009. This summit was aimed at opening a dialogue among arts organizations to discuss the economic downturn and ways to face challenges posed by the situation. We have plans to continue convening Arts Summits throughout the year, focusing on new challenges faced by arts organizations.

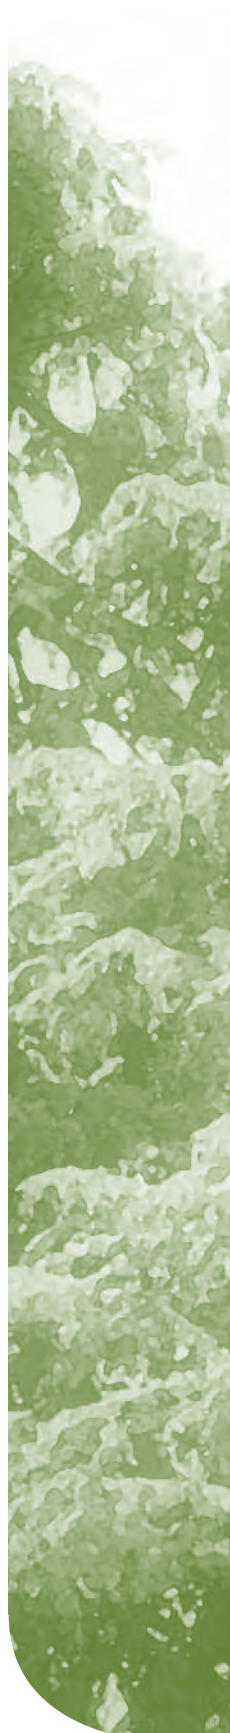

MAC partnered with Americans for the Arts to examine the state of the arts across Missouri by conducting an economic impact study. This study concluded what we have believed all along, the arts are a large contributor to Missouri's economy. The study was conducted over the course of 2008, finding that the arts contribute \$1.1 billion to Missouri's economy.

As we continue through these uncertain economic times we will be focused on the best ways to continue to receive our funding so that the arts will continue to grow in Missouri. It is with the help of Governor Nixon, the Legislature, our council members, MAC staff and the residents of Missouri that have come this far and continue to move forward. Looking forward I am only inspired by the arts community's strength and perseverance during these unpredictable financial times; and I know we are all focused on the goal of making Missouri the State of the Arts.

Sincerely,

Beverly Strohmeyer  
Executive Director

## MISSION STATEMENT

The Missouri Arts Council — as public leader, partner and catalyst — is dedicated to broadening the appreciation and availability of the arts in the State and fostering the diversity, vitality and excellence of Missouri's communities, economy and cultural heritage.

## GUIDING PRINCIPLES AND VALUES

- ♦ We believe that the arts play a vital role in the life and well-being of the community. They are an important tool for educational, economic and community development and revitalization with significant impact on Missouri.
- ♦ We recognize, value, and encourage artistic activities in Missouri's rural, urban and suburban communities.
- ♦ We celebrate all of Missouri's diverse cultures and ethnic peoples.
- ♦ We acknowledge the individual artist as being core to the continued growth of the arts, arts organizations and Missouri communities.
- ♦ We value innovation and creative expression in the arts.
- ♦ We are committed to creating alliances and partnerships within and outside the arts that strengthen the health of the arts.
- ♦ We are committed to the effective use of resources and to maintaining integrity and accountability in our distribution of public resources.
- ♦ We believe that cultural diversity, folk and traditional art, as well as individual artists and education are integral to and need to be woven within all MAC programs and initiatives.

# Missouri Arts Council Overview

Missouri Arts Council, a state agency, provides approximately \$8 million to nonprofit organizations through grants that encourage and stimulate the growth, development, and appreciation of the arts in Missouri. MAC provides funding to make quality arts programming possible to both large and small communities. Also, MAC staff are available to provide assistance in arts and nonprofit management. Their expertise includes community development, fundraising, marketing, grantwriting, arts education, artistic disciplines (visual arts, music, literature, theater, dance, festivals, and film/media) and more.

## Missouri Cultural Trust

The state legislature created the Missouri Cultural Trust in 1993 to help stabilize funding for the arts in Missouri. Subject to appropriation, the Trust would be funded by 60% of the income tax on non-resident professional athletes and entertainers (A&E tax). The Trust is governed by the members of the Missouri Arts Council and five elected officials: two members of the Missouri House of Representatives, two members of the Missouri Senate, and the State Treasurer.

The Trust was originally established to grow untouched until 2015 at the earliest. Unfortunately, difficult economic times changed plans for the Trust fund. In FY2004, the Missouri General Assembly granted MAC spending authority for the Missouri Cultural Trust instead of appropriating General Revenue funds to MAC. The Cultural Trust supported MAC's operations and grant programs. This resulted in changes to the Trust's grant programs—closing the Capital Incentive Program to new applicants in FY2002 and dissolving the Organizational Development Program.

## National Endowment for the Arts

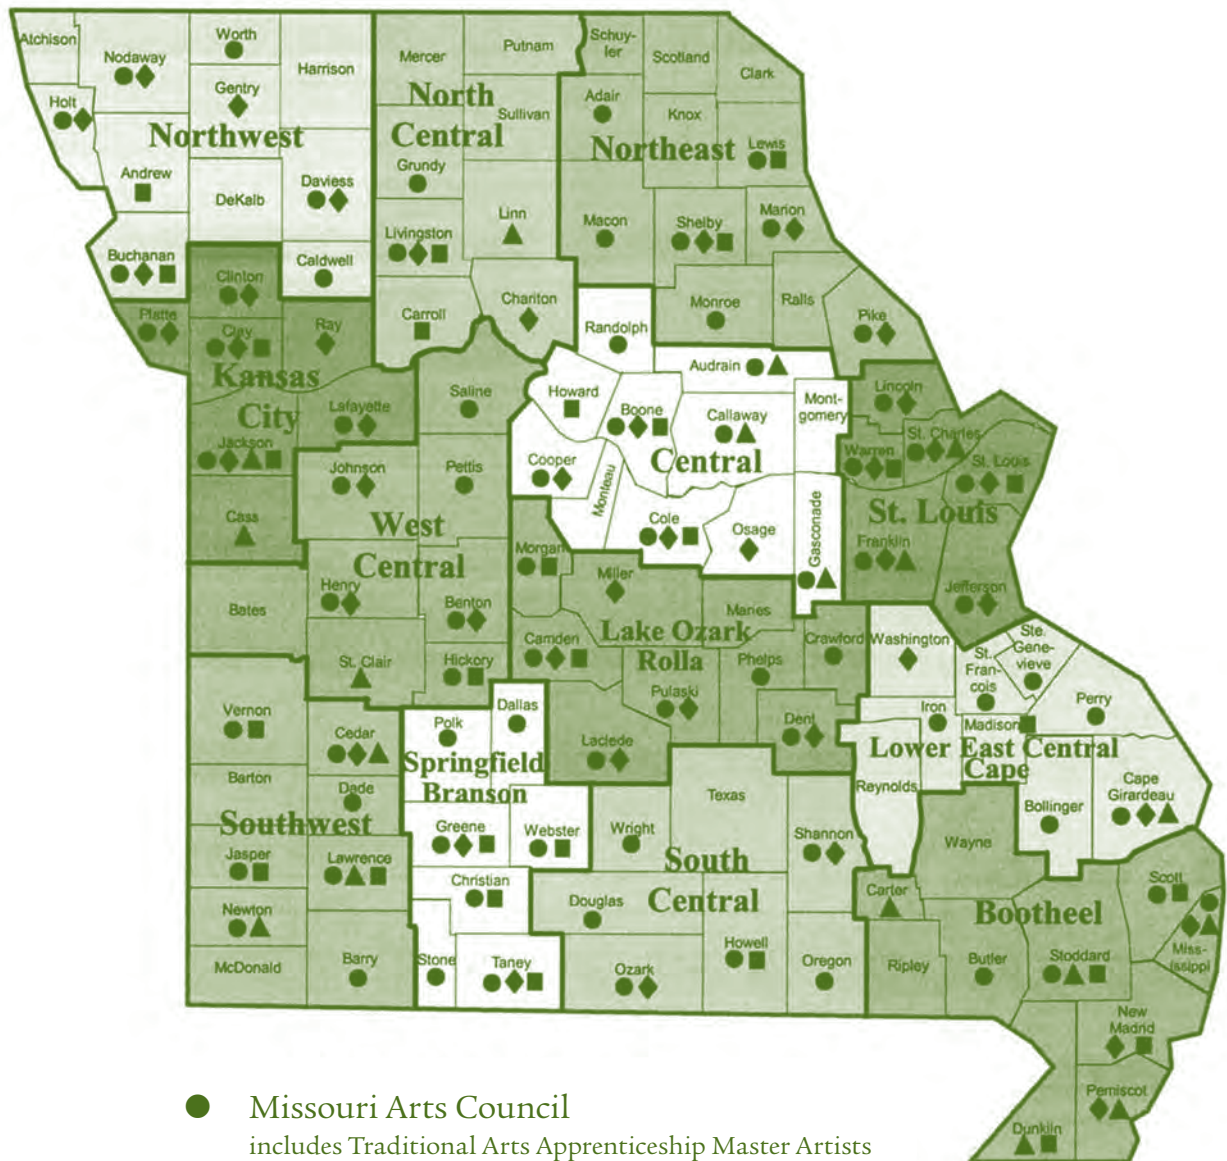

Missouri Arts Council also receives funding for its programs and administration from the National Endowment for the Arts, a federal agency, which believes that a great nation deserves great art. MAC gratefully acknowledges NEA's support during FY09 for its State Arts Plan, Challenge America Component, American Masterpieces Component, Arts Education Component, Underserved Communities Component, and Poetry Out Loud.

# Strategic Plan Achievements

MAC has identified three strategic goals, which will create public value by making positive differences in the lives of Missouri's citizens through the arts:

- (1) Increase Participation in the Arts in Missouri
- (2) Grow Missouri's Economy using the Arts
- (3) Strengthen Missouri's Education through the Arts

For each goal, objectives, strategies and performance measures are provided.

This Strategic Plan was approved by the Council in February 2007 and will serve as the basis for the 2008-2010 fiscal years. This plan was developed to focus MAC's future vision, programs and operations. MAC has developed an Action Plan, which identifies the detailed tasks, timelines, and personnel responsible to ensure that our strategic goals are achieved.

In 2009 MAC achieved the following goals:

## Strategic Grants

- ♦ Strategic grants totaling \$7.5m awarded to communities to fund arts programs.
- ♦ Funding provided to 100% of Missouri Senate districts and 79% of House districts.
- ♦ Completed online grant system, registered 560 user profiles and completed over 440 applications in the first grant round.
- ♦ Continued to streamline grant applications and guidelines for clarity.
- ♦ Developed Arts Transform Missouri grant program using American Recovery & Reinvestment Act (ARRA) funds and awarded \$320,200 to 23 applicants.

## Programs

- ♦ Recognized six Missouri residents with Missouri Arts Awards.
- ♦ Began development of VSA arts of Missouri affiliate.
- ♦ Received Award of Excellence from National VSA arts for Outstanding Community Partner.
- ♦ Published anthology of artwork and writing by Missouri artists with disabilities called *Blindness isn't Black*.
- ♦ Involved 6,745 students, 267 teachers and 75 schools in Poetry Out Loud, recognized at the Legislative Luncheon in Washington, DC as one of the top programs in the country.
- ♦ Provided professional development and networking opportunities to over 200 arts administrators in seven locations at the first Arts Summit.
- ♦ Updated and expanded the Missouri Touring Performers directory by 10%.

## Partnerships

- ♦ Worked with the Arts Education Collaborative, Interchange, and the Missouri Alliance for Arts Education to advance key arts education strategies.
- ♦ MACAA continued to bring funds to unfunded and underfunded communities.
- ♦ Completed work with MODOT to develop murals at two welcome centers.

## Education

- ♦ Teaching Artist Program convened 6 workshops for educators and teaching artists.
- ♦ The Folk Arts Program provided sequential training for traditional artists preparing for work in the classroom.
- ♦ Fine Arts Education Day brought schools, teachers and parents together at the capitol.

## Communication

- ♦ Completed graphic identity and web redesign. Begun implementation of new graphic identity.
- ♦ Hired a program specialist to concentrate on communications
- ♦ Initiated MAC on Location to visit communities each month to share grant opportunities and technical information.

## Advocacy

- ♦ Commissioned a comprehensive study of the economic impact of the arts in Missouri.
- ♦ Governor Blunt recommended, and the legislature approved, the highest level of funding in MAC history.

## Changes to the Grant Process

The 2009 grant year got a small glimpse of what was to change for the 2010 grant application process. MAC worked diligently throughout this year to move the paper grant process online. Although these changes didn't really affect those applying in FY09 they will affect the application process as a whole going forward. MAC is working out the kinks that were experienced in the FY10 application process and will be making improvements so that the FY11 process will be as smooth as possible.

Most of MAC's annual deadline grant programs have moved to a 2-year review cycle. Instead of meeting every year, the review panel meetings are held every other year. For the "on

year," an organization submits an application for a project occurring during the upcoming fiscal year. The panel's review of the proposal helps to determine the organization's funding for two years — the review year and following year — using the funding formula.

♦ FY09 is the "on year" for Arts Education (grant & artists), Art Services, CAP Basic, Dance, Folk Arts, Minority Arts, Theater, Touring (grant & artists) and Visual Arts

During the "off year," an organization submits an Off Year Report. MAC employs the same funding formula with the available funding for the specific grant program for that fiscal year. This amount of money may be different than the previous fiscal year. It could be less, more, or remain the same. The available funding for the grant programs depend upon the funds provided by the General Assembly and National Endowment for the Arts as well as the budget approved by the Missouri Arts Council board at the June meeting.

# Grant Program Descriptions

MAC provides funding for quality arts programming to eligible applicants which include but are not limited to: Arts or arts education organizations; chambers of commerce; public libraries; government agencies; youth organizations; public school districts; private K-12 schools; community arts organizations; social service organizations; colleges and universities; and religious organizations. MAC funds may be used for artist fees, artist travel expenses, marketing the arts event, project related educational materials, and more. For MAC granting purposes, a project is a specific, identifiable program that has a distinct focus, format, and objective. A project can include the following:

- ♦ Performance of dance, music, and/or theater (single performance or series)
- ♦ Educational programs in the arts
- ♦ Artist residencies
- ♦ Literary journal publication
- ♦ Arts festival or arts component at festival or county fair
- ♦ Exhibition or exhibition series
- ♦ Film festival, film series, or production of film, video, or media arts project
- ♦ Services to the field

## Arts Education Program

Missouri Arts Council's Arts Education program is designed to strengthen the place of the arts as a core academic subject in the regular school curriculum, and to promote integrating the arts into non-arts classrooms and in out of school programs. MAC organizes professional development workshops for K-12 teachers and

teaching artists, assists organizations in the development of their arts education programs, and promotes Elementary and Secondary Education to ensure that these programs support student achievement. Grant categories include:

- ♦ School Touring Program
- ♦ Artist in Residence
- ♦ Out of School
- ♦ Professional Development

## Arts Services Program

MAC provides financial assistance to organizations whose primary mission is delivery of services to arts organizations statewide. MAC occasionally initiates projects that address special needs and provides grants to organizations best suited to execute the project.

## Capital Incentive Program

This program is no longer open to submissions. It was created to spur economic activity in the nonprofit arts industry. For every two dollars contributed by a private donor to arts organizations for endowments or renovation/construction of a performance or exhibition space, MAC set aside one dollar in the Missouri Cultural Trust and pays 5% of the set aside amount to the arts organizations annually.

## Community Arts Program

The goal of the Community Arts Program is to strengthen the connection between small and rural communities and the arts. Each community (outside the city limits of Kansas City and St. Louis) may designate an organization to receive funding that provides multidiscipline arts programming, arts education, and arts services in their area. Annual grants are available for projects and operating support.

## Discipline Program Assistance

MAC's largest grant program, Discipline Program Assistance provides funds for projects in eight areas: dance, electronic media arts, festivals, literature, multidiscipline, music, theater and visual arts.

## DREAM Initiative

The DREAM Initiative was unveiled by the Missouri Department of Economic Development in 2006 to provide Missouri's small and mid-sized towns the same access to economic development tools as larger communities. Selected communities become active members of DREAM for three years and gain prioritized access to state supported programs through ongoing cooperation among several unique agencies and funding sources. Programs include technical and financial assistance for infrastructure improvements, historic preservation, affordable housing, community services, business development and job creation. MAC provides targeted funds for new arts programs in downtown areas of DREAM communities.

## Established Institutions Program\*

This program provides operational support for the state's largest and most stable organizations. They must have a primary purpose to present or produce art, history of operating revenues exceeding \$2,000,000 (certain restrictions apply), full-time professional personnel, full season of exhibitions and/or performances, appropriate community involvement, and significant local, regional or national impact.

## MACAA Community Programs

MAC initiated a new program in FY07 in collaboration with the Missouri Association of Community Arts Agencies called Community Programs. The purpose of this program is to provide funding to nonprofit organizations in communities that have little to no arts programming. The intention is to develop these community organizations with technical support from MACAA so they will be prepared to seek future funding from MAC grant programs.

## Mid-Sized Arts Organizations\*

Like the Established Institutions Program, this program provides operational support. Organizations must have a primary purpose to present or produce art, history of operating revenues between \$500,000 and \$2 million, ranked in the top third of their Discipline Program Assistance grant panel for the prior three consecutive review years, full-time professional management personnel, appropriate community involvement, and significant local, regional or national impact.

## Monthly Strategic Grant Program

This monthly deadline program was created to encourage small and emerging arts organizations and organizations based in rural communities to seek financial assistance for arts activities through a less complicated application process. Prior to its creation, applications for MAC grants were only accepted on an annual basis through a competitive process.

## Minority Arts Program

This program supports arts projects created by or targeted to people of diverse cultures. Funding priority is given to minority-managed organizations with minority-developed arts focused projects. For the purpose of this grant program, minorities are communities identified as African American, Asian American, Latino/ Hispanic and Native American.

## Missouri Folk Arts Program

This grant program accepts applications for projects that perpetuate and present the traditional arts and artists, preferably those associated with the state of Missouri. For the purposes of this grant category, folk arts are defined as the living, functional and expressive arts of everyday people passed down informally by word of mouth or imitation within close-knit groups. The grants support Missouri Folk Arts Program's mission to build cross-cultural understanding by documenting, conserving and presenting our state's living folk arts and folk life in collaboration with Missouri's residents.

## Missouri Touring Program

Missouri Touring Program brings a variety of Missouri dancers, musicians, theater performers, storytellers, traditional and contemporary, to communities throughout the state. The program also increases performance opportunities for Missouri performers. Applications from communities are accepted monthly, up to twice per year, to support 60% of the artist fee, with a maximum of \$5,000. Performers may apply to be in the Missouri Touring Program directory each spring.

## School Touring

This program funds 60% of artistic fees for schools to present performing artist(s) with related educational activities. Performing artists must be selected from MAC's School Touring Roster or programs of Missouri artists on the rosters of Kansas City and St. Louis chapters of Young Audiences.

## Capacity Building Program

This program is designed to help nonprofit organizations whose primary purpose is to present, produce, or serve the arts in Missouri develop defined administrative, artistic and technical skills. MAC provides support for both organizational development and artistic and project development.

*\* Application reviews are held every three years with updated reports provided in alternate years.*

## Advisory Panels

Each year MAC board appoints Missouri and non-Missouri residents and regional representatives to serve as volunteer panelists to review grant applications. Selected panelists are either knowledgeable in a particular art form or they are arts enthusiasts who serve as community representatives on the panel. In the spring, panelists spend hundreds of hours evaluating the grant applications according to the criteria of artistic quality, community involvement, and management ability. They also assist MAC policy and program development. MAC is grateful to the dedicated panelists for volunteering their time and expertise. To minimize administrative expenses, MAC conducts the panel review meetings by conference call. A MAC board member serves as chair to ensure that the review process is fair and equitable and follows MAC's policies.

# Poetry Out Loud

The Poetry Out Loud program encourages the nation's youth to learn about great poetry through memorization and performance. Participation helps build students' speaking skills, develops their appreciation for poetry, increases their self-confidence and satisfies both Missouri Show-Me Standards and National Council of Teachers of English (NCTE) English Language Arts standards.

Since its inaugural year in Missouri, Poetry Out Loud has gained popularity throughout the state. Participation was the largest this year with 75 schools getting involved. It was with great pride the state of Missouri sent Pete Winfrey, from St. Louis University High School to Washington D.C. to compete in the national competition in 2009. Mr. Winfrey received a plaque, traveling trophy and an all-expense paid trip to Washington D.C. for the national finals. The national finals award \$50,000 in scholarships and school stipends. The state champion's school keeps the traveling trophy until next year's competition and receives \$500 for the purchase of poetry books for their school library. Similarly, the second place school receives \$200 to purchase poetry books for their school library. All of the finalists receive award certificates.

The schedule and curriculum for Poetry Out Loud have been intentionally designed to fit into a teacher's busy schedule without much disruption. The program takes place over two to three weeks, according to the teacher's interest and schedule, and does not require full class periods during that time. Teachers or speech coaches may choose to run the contest as an after-school program. Standards-based curriculum materials are provided to participating schools and additional resources are available on the Poetry Out Loud web site. ## 2009 Missouri Arts Awards

The Missouri Arts Awards, established in 1983, was put in place to recognize and honor individuals who have made lasting contributions to the arts industry in Missouri. Each of the winners of the Missouri Arts Awards has produced positive impacts upon the cultural climate of our state.

Each year, an independent panel of distinguished representatives of Missouri's arts community

selects the Missouri Arts Awards recipients, who are honored during a special recognition ceremony in Jefferson City. The 2009 Missouri Arts Awards were presented on February 11 in the Capitol Building Rotunda by First Lady Georganne Nixon. Awards are presented in six categories: Arts Education, Arts Organization, Creative Community, Individual Artist, Leadership in the Arts, and Philanthropy.

## Kansas City Art Institute

Kansas City  
Arts Education

Missouri Arts Council honors the Kansas City Art Institute for its significant contributions to Arts Education by creating quality arts education opportunities and resources available to all creative minds.

The Kansas City Art Institute is a four-year, independent, fully accredited college of art and design offering the bachelor of fine arts degree in a variety of disciplines. This great institution has a stellar history, dating back to its origins in 1885.

The Kansas City Art Institute is the only institution of higher learning in the state of Missouri devoted exclusively to visual arts education. The college has produced generations of alumni who have gone on to achieve distinction in art and design careers of all kinds.

The college's art gallery, the H&R Block Artspace, is a teaching gallery that serves as a resource not only for KCAI students but also for the community at large. Art teachers commonly bring classroom groups to the Artspace to see cutting-edge exhibitions or to hear gallery-based lectures or participate in workshops. The Jannes Library and Learning Center, which opened in 2002, is open to the public and provides outstanding resources for anyone interested in visual arts and design. The college constantly explores new avenues for furthering arts education in creative ways.

## Allied Arts Council of St. Joseph

St. Joseph  
Arts Organization

Missouri Arts Council honors the Allied Arts Council of St. Joseph for its significant contributions to the arts in Missouri.

Bringing arts and people together encapsulates the mission of the Allied Arts Council of St. Joseph, Missouri. As the leadership organization for the arts in St. Joseph, the Council fulfills its mission by supporting its sixteen member organizations in promoting artistic opportunities. Since 1963, the Allied Arts Council has coordinated planning efforts, assisted emerging arts groups and provided services to member organizations.

In June 2008, the Allied Arts Council, in partnership with the St. Joseph Public Library, Rolling Hills Regional Consolidated Library, and the St. Joseph School District was selected to receive a grant from the National Endowment for the Arts to host The Big Read in St. Joseph. The event takes place in May, 2009, featuring *The Great Gatsby* by F. Scott Fitzgerald, with a wide variety of activities to appeal to a variety of age levels. The Allied Arts Council's board of directors and member arts agencies were excited at the prospect of participating in a city-wide event that brings the importance of literary arts to the forefront.

The Allied Arts Council supports member arts agencies, stimulates new programs, fosters audience development, forges community partnerships, and seeks financial support to ensure that our citizens have opportunities to experience the power of the arts as active participants.

*L to R: First Lady Nixon, Springfield Mayor Pro Tem Gary Deaver, and Cynthia Cartwright, Missouri Arts Council Committee Chair*

## City of Springfield

Springfield  
Creative Community

Missouri Arts Council honors the City of Springfield for drawing on the arts to promote economic growth, tourism, business and/or resident attraction and civic growth.

Just over a decade ago, the center city district was struggling. Vacant storefronts outnumbered operating businesses as business owners migrated to other areas of the city with more drive-by and foot traffic. Today it's a very different picture.

College students, families, young couples, singles all gather downtown to enjoy the more than a dozen festivals and arts-related community events that have been organized to "improve the quality of life" for the citizens of Springfield and those who come in from the region. The choice of events is stellar and provides a steady increase in tourism to Springfield.

Twelve years ago, there were no restaurants downtown. A gallery owner encouraged a well known chef to lease part of her gallery and Gallery Bistro was opened. Today, there are more than 40 restaurants downtown.

One of the major arts events that has been singularly instrumental in the renaissance of Springfield as a creative community has been the First Friday Art Walk which began 12 years ago by an innovative gallery owner and which now includes 27 galleries and many other commercial venues now attracting almost 5,000 residents and visitors downtown monthly.

## Linda Lighton

Kansas City  
Individual Artist

Missouri Arts Council honors Linda Lighton Adkins for her significant contributions to the creative arts in Missouri.

A ceramicist, Linda Lighton has had 46 solo shows since 1974 and participated in more than 117 group exhibitions. Her work has reached a broad audience both in Missouri and internationally. She studied painting and ceramics at the Factory of Visual Arts in Seattle, Washington, from 1971-1974 with David Furman, Margaret Ford and Patti Warashina among others.

Ms. Lighton is a member of the International Academy of Ceramics. She has had the opportunity to represent the United States in Latvia at international symposiums in 1992 and 1998. She has participated in residencies at the Jiesia Bone China Factory, Kaunas, Lithuania in 1993; International Workshop for Ceramic Artists in Tokoname, Japan in 1996; International Ceramic Workshop, Kecskemet, Hungary in 2003; and the Binyamini Foundation and the Israeli Ceramic Artists Association in 2005. Linda just returned from Fuping, China, where she made art work for the new FuLe International Ceramic Museum.

Ms. Lighton is an arts advocate and activist in Kansas City. She helped initiate the One Percent for Arts Program in Kansas City. Ms. Lighton serves on the National Committee at the Kemper Museum of Contemporary Art, the Kansas City Ballet Board of Directors, and administers the Lighton International Artists Exchange Program at the Kansas City Artists Coalition.

## Janette M. Lohman

St. Louis

Leadership in the Arts

Missouri Arts Council honors Janette M. Lohman for her crucial contributions to the advancement of the arts in Missouri.

Janette Lohman has provided invaluable leadership and support not only for the Missouri Citizens for the Arts but for all of the arts organizations in Missouri. In October 2005, Ms. Lohman became President of the Board of Directors for Missouri Citizens for the Arts.

Ms. Lohman has served the arts in Missouri with her tireless and successful arts advocacy work. She has worked hard to ensure that Missouri's General Assembly passed Governor Blunt's recommendations for appropriations to the Missouri Arts Council, the Missouri Cultural Trust Fund and the Missouri Fine Arts Academy.

When Ms. Lohman was settling into her role as President, Missouri's arts budget had been cut to only \$500,000 and Missouri's rank had fallen to 49th among the 56 states and U.S. territories, based on net legislative appropriations as compiled by the National Assembly of State Arts Agencies. In 2008, only three years later, public funding for the arts rose to \$8.3 million and Missouri's rank has increased to 12th. Under Ms. Lohman's leadership of Missouri Citizens for the Arts, state appropriations for the Missouri Arts Council increased from \$500,000 in 2005 to an all time high — an historic \$11.3 million in 2009, restoring Missouri's leadership position in the arts.

## Beth Ingram

Kansas City

Philanthropy

Missouri Arts Council honors Mrs. Beth Ingram for her significant contributions to the advancement of the arts in Missouri.

Mrs. Ingram is an enthusiastic promoter and generous patron of the Lyric Opera of Kansas City. As a 41-year member of the Board of Directors, she has held the board officer positions of secretary, treasurer, vice-president, president, vice-chairman and chairman. She was the first woman president on the Lyric Board and continued with her leading role also serving on the Executive Committee for the majority of those years. Through these opportunities she has demonstrated her leadership abilities and has skillfully guided the company through its fledgling years and on to its 50th anniversary celebration.

In her many roles, Mrs. Ingram was actively involved with fundraising events as event chair or committee person. She later created the Lyric Opera Guild's trips program and served as tour guide, coordinator and hostess as the group visited cities in the United States and abroad. To this day the trip program is a vibrant part of the Guild's successes and has raised hundreds of thousands of dollars for the Lyric Opera.

Mrs. Ingram brought many new people into the fold of the Lyric Opera Guild. The membership of this group remains very strong thanks to her strong commitment and continued involvement. Mrs. Ingram's overall commitment to the Lyric Opera is always seen in her enthusiasm to start new projects. Whether it has been refurbishing the Lyric Theatre building, buying a new lighting system, or supporting young singers in the education programs, she has always been at the front of the line to help and with an eye on the future of the company.

## 2008 Missouri Arts Award Artists

### Kathy Barnard

The Missouri Arts Awards would not be complete without the talented artists who create the actual awards and provide the image for the coveted event poster, the invitation and program. Always unique and compelling, the awards have themselves become an integral part of the ceremony.

A panel of MAC board members and staff selected Kathy Barnard from a pool of applicants to create the awards that First Lady Nixon presented to the 2009 Arts Awards recipients.

After years of working with glass and learning how it behaves Kathy Barnard has mastered how it

holds and reflects light. She uses this knowledge in her designs to vividly portray color and light as no other substance can.

Ms. Barnards' works range from delicate etched flower plates to glass panels making up the side of an entire building. She creates sculptural carved art glass, deep carved windows and murals, as well as stained glass windows. Designs include the human figure and geometric patterns but her true love is nature.

Ms. Barnard approaches her projects with intensity, determination and patience. When researching custom pieces she carefully considers the site, the building's architecture, and the personal tastes and needs of the client. As the light strikes a piece of glass it magnifies and produces an illuminating effect. Ms. Barnard captivates an inner life and creates a sense of wonder in the viewer.

A panel of MAC board and staff members selected *Alley*, an oil painting created by **Naomi Sugino-Lear** of Columbia, as the image for the

2009 Missouri Arts Awards poster, invitation and program. When painting *Alley*, Ms. Sugino-Lear was focused on the idea of observation. In some of her recent works the subject matter was a record of where she was and what she came into contact with during specific periods of her life.

This piece was inspired by an alley in Hermann, Missouri. In this piece she found herself emphasizing on certain characteristics of her surroundings through different paint applications as well as the abstraction or simplification of shapes.

“I was on a downtown street in Hermann when I noticed an alley off to my right. The alley was set on a hill and I was intrigued by the shadows that were cast on the slope. I was working on a series of paintings that explored various uses of perspective. The elevated one-point perspective of the alley was unusual and made for an interesting composition.”

One of Ms. Sugino-Lear’s goals is to continue learning and producing. As an educator she firmly believes it is important to practice what she preaches to students — do lots of paintings, make lots of mistakes, experiment with new approaches, and enjoy creativity.

Missouri Moulding and Glass of Saint Genevieve has generously donated the framing services for the 2009 Missouri Arts Awards poster. The Missouri Arts Awards posters help increase awareness of the arts in Missouri. Missouri Arts Council distributes the framed posters to the offices of the Governor, First Lady and key elected officials such as the Senate Appropriations Committee Chair. Please join the Missouri Arts Council in expressing our gratitude to Missouri Moulding and Glass for its continued support of the Missouri Arts Awards. In addition to donating their time and resources, this small woman owned company has consistently provided high quality work, exceptional service and quick turnaround.
